**REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT
FOR APPLICANT'S MISTAKE (37 C.F.R. § 1.323)**

1. It is noted that an error appears in this patent of a clerical nature, as more fully described below. It occurred in good faith. Correction thereof does not involve such changes in the patent as would constitute new matter or would require re-examination. A certificate of correction is requested.
2. Attached in duplication is Form PTO 1050, with at least one copy being suitable for printing.
3. In the published application the errors occur in claim 2 (page 4, line 22), claim 5 (page 4, line 31) and again in claim 7 (page 4, line 39). The errors are typographical in nature where "(d)" should be changed to --(b)-- in all three instances. The error is believed to be obvious. There is no step (d) in claim 1, and the antecedent basis for the term "at least one log of petrophysical properties" is in step (b) of claim 1.

4. Please send the issued Certificate of Correction to:

J. Paul Plummer
ExxonMobil Upstream Research Company
P. O. Box 2189
CORP-URC-SW359
Houston, Texas 77252-2189

5. Please charge the Certificate of Correction fee of \$100.00, as well as any additional charges deemed necessary by the U.S. Patent Office, to deposit account number 05-1328. A duplicate of this paper is attached.

Respectfully submitted,

Date: 2 March 2009
